

TITTLE: Celebrating Annual Thusong Service Centre Week with the community of Phiritona.

VENUE: Heilbron, Free State

DATE: 19 September 2016

AUTHOR: Mojalefa Senokoatsane

The Government Communication and Information Systems (GCIS), together with the Ngwathe Local Municipality, hosted an open day at the Phiritona Thusong Service Centre which is the hub of service delivery within the area, where different departments were offering their services to the community of Phiritona. The day was organized as part of the Thusong Service Centre Week programme and ensuring that services continue to be provided to the citizenry of the area all the time and direct at their door step.

The Department of Labour One Stop shop for those who were looking for career opportunities and submission of their CV's during the Thusong Service Centre Week program

The GCIS stall during the program was a hive of activity as people wanted to know more about programs of government.

Home Affairs was also available to offer their services during the program held at the Phiritona Thusong.

SEDA made sure that young people especially those who were looking for mentoring were assisted during the program of the day.

Name of Respondent: Ntate Tena

Direct quotation: I am happy that SEDA was here as I had been looking forward to seeing them in our area.
