BUDGET VOTE

Mpumalanga GCIS organized stakeholder engagement sessions, Radio activations and community activations aimed at mobilizing stakeholders to watch the budget vote and also to create awareness of services rendered by Department of Communications and Government Communications. Stakeholders who participated during the sessions were CoGTA, Social Development, Post Office, Community Corrections, and Metropolitan, legal Aid SA, DCSR, Dr Pixley Ka Seme Municipality, Nkomazi Municipality, Ehlanzeni D Municipality, Education, Home based care givers, CDW's ,ICASA, Labour and Health. GCIS made presentation on the mandate of the two departments under the Ministry of Communications as well as the five entities under the Ministry. From the presentation, more emphasis was on the use of Thusong Service Centre platform and on integrated service delivery through mobile outreaches.

The attendees commended GCIS for hosting such event as it helps to build effective partnerships.

Total number of 4 activities held were:

- Stakeholder engagements at Daggakraal Thusong Centre. – 18 stakeholders reached.
- Stakeholder engagement at Mpuluzi Thusong Centre – 12 stakeholders reached.
