

MANDELA DAY

GCIS in partnership with the Women for Change a community based organization reached out to various funders and donators to provide goods and services to change the lives of citizens in the Zwelethemba Community, Breede valley Municipality in the Western Cape.

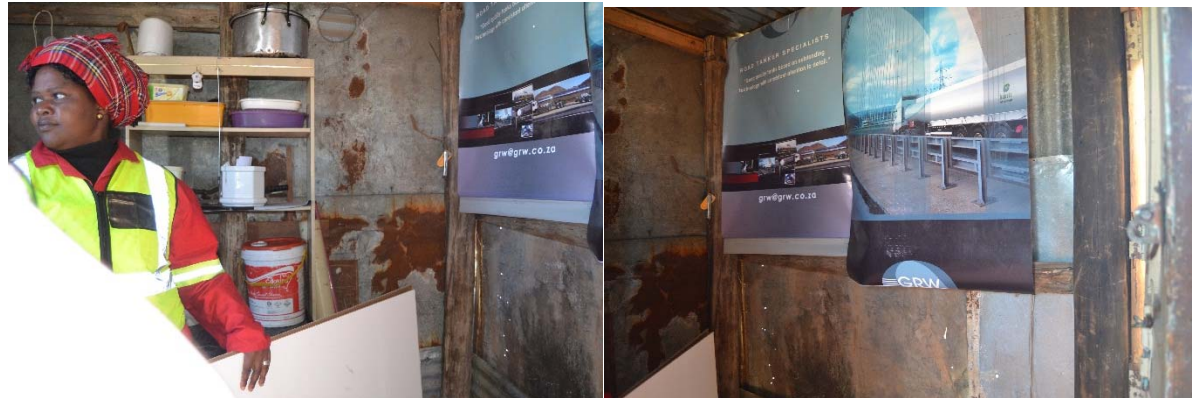

Volunteers from the Women for Change organisation received boxes of clothes from the 1st Worcester Scout organisation with the support of GCIS. They are busy sorting of clothes for 5 households that was identified by the Department of Social Development, as needy house holds

GCIS and Women of Change have identified one old aged home in Zwelethemba and provided them with Non-perishable for hampers and Bread donated by the Local SASKO bakery in Worcester

In conversation with Nelson Mandela and Oliver Tambo, five households/ Informal houses in Zwelethemba were identified, the houses had no concrete floors, no ceiling and wall covers. With the donation from BUCO and Built It as well as APL Cartons in Worcester, Cement, Sand and Ceiling board we were able to put flooring as well as warming up the households by the placing of ceiling board. The practical work was done by the Department of Correctional Services.

Inside of the first informal settlement in the Mandela Square Township. The family will definitely sleep warmer this winter.
