Countdown to the State of the Nation Address**

On 02 February 2015 the North West DoC provincial office went on an activation blitz to popularise the State of the Nation Address (SoNA) at Mafikeng Taxi rank and road intersections. The State of the Nation Address will take place on 12 February 2015 where President Jacob Zuma will address the nation at 7:00pm highlighting government's Programme of Action for the year ahead. This activation was done to mark a 10 days count down to the SoNA.

Material distributed on the day included the SoNA leaflets, SANDF skills development application forms, learnership opportunities from the Department of Higher Education and Training. Being aware of government's programmes, members of the public can be involved and take part in moving South Africa forward.
