Minister Muthambi and Rivers Dumisani Chauke, Rivers is explaining

Ansats displaying her Mat making skills to the Minister.

how difficult it is to use the analogue TV.

Arriving at Evelyn Chauke's house, Minister Muthambi was warmly welcomed.

Minister checking if the TV in Evelyn's house has got signal.

Post office official assisting the Chaukes's family while the Minister interacts with other community stakeholders.

Minister Muthambi and her entourage ready to start the official imbizo programme at Makuleke Sport ground.

Representing the NGO's the following issues were raised: Lack of funding into community projects such as Home based care, old age home and drop in centre

On behalf of Makulele village Bongani raised the following issues: need for telecentre, youth unemployment, they had a community newspaper which collapsed due to lack of funding.

Jonas Maluleke said he would be happy to have a Thusong service centre in the area.

The farmers also raised their concern with regard to insufficient water schemes to cater for all small farmers in the village.

Wilson Maluleke: "I am so excited our village was chosen by the Minister for a visit. My hope is a lot will change with regard to basic services".

Masia Tintswalo Grace hoped the Minister would unblock the none service delivery in their village. She said she is aware of the digital migration process and would be registering for one at the post office the coming week.

Doctor Maluleke: he is concerned that their sport ground was turned into a residential area, he also appealed to government for financial support as his team participates in National Competition but they need financial support.

Given Machebele: Owns audio visual studio which needs funding: 071 591 6369
