

NATIONAL ENERGY SAVINGS CAMPAIGN

When it comes to saving energy, we can all make a difference – at home and in the office – by making undemanding and often subtle changes to our energy consumption behaviour. Watch this National Energy Efficiency Campaign space! Where we will bring you informed energy sector comments, all the coolest campaign content as well as helpful how to hints that will enable every one of us, in our capacity as government employees, to protect and contribute to supporting a sustainable energy supply – both for today and tomorrow.
