

IMBIZO FOCUS WEEK ACTIVITIES

14 TO 20 JULY 2014

EASTERN CAPE

The first National Imbizo Focus Week of the new administration took place from 14 – 20 July 2014. It coincided with the first International Nelson Mandela Day since the passing of the struggle icon and founding President, Dr Nelson Mandela.

Government urged all South Africans to honour and remember our beloved Madiba during this Mandela Month by actively participating in the “Clean South Africa Campaign”. During Nelson Mandela Day on 18 July and more broadly during this month, South Africans were urged to dedicate 67 minutes, especially on 18 July 2014, to clean-up our cities, towns, townships, villages, schools and beautify every part of our country as per the call made by the President during the State of the Nation Address on 17 June 2014.

The Imbizo focus week principally heightens engagements between Members of the Executive and citizens through maintaining sustained and on-going communication platforms.
