

# WORKING TOGETHER FOR A CLEANER SOUTH AFRICA

18 July 2014

Farm workers from across the Franschhoek Valley were invited to a Health Family fun day as part of Mandela Day outreaches to vulnerable communities in the Cape Winelands District

Approximately 500 farmworkers from the Franschhoek community were invited to form part of the Mandela Day health promotion activities in Stellenbosch. The Industrial Theatre, "Lucky the hero" who focusses on informing communities about the impact of HIV in our communities as well as speaking about the TB incidence and trends in the Stellenbosch community.

The Industrial Theatre with regards to HIV and Aids, enticed more than 500 farmworkers from the Franschhoek farms. GCIS as part of the lead departments in mobilising the community had an information point, and also organised with local media for an interview to inform the broader community on Nelson Mandela day as well as Key messages with regards to HIV and Aids.
