STAATSDIENSMAAND

- Gedurende Staatsdiensmaand bring ons hulde aan die vele staatsamptenare wat deurlopend 'n positiewe verskil in ons land maak.
- Die Staatsdiens bly gespits op die implementering van die Staat se prioriteite, naamlik die stryd teen Kovid-19, die bespoediging van ekonomiese herstel en die skep van volhoubare werkgeleenthede.
- Staatsamptenare word aangespoor om te verseker dat hul werksetiek ten alle tye onberispelik is.
- Ons is vol vertroue dat staatsamptenare sal voortgaan om alle Suid-Afrikaners met toewyding en trots te dien.
- Alle staatsamptenare word daarvan herinner om ingeënt te word, om sodoende hulself en diegene wat deur hulle gedien word, te beskerm.

PUBLIC SERVICE MONTH

- During this Public Service Month, we pay tribute to the many public servants who continue to make a positive difference in our country.
- The public service continues to implement government's priorities of defeating COVID-19, accelerating economic recovery and creating sustainable jobs.
- Public servants are urged to continue ensuring that their professional ethics are beyond reproach.
- We are confident that public servants will continue to serve the millions of South Africans with dedication and pride.
- All public servants are reminded to vaccinate to protect themselves and those that they serve.
