GOVERNMENT IS ANTI-CORRUPTION

- Corruption is one of the greatest impediments to the country's growth and development
- Government and all sectors of society have adopted a national anti-corruption strategy that aims to collectively fight corruption.
- Millions of Rands in public funds have been recovered through the Fusion Centre, which acts on fraud and corruption in the procurement of COVID-19 related goods and services.
- From October 2020 to date, Government's anti-corruption efforts have yielded over 503 arrests, seizing of R3.4 billion worth of assets and 90 convictions.
- The public is encouraged to report all criminality using the SAPS Crime stop and government anti-corruption hotlines.
