DISTRICT DEVELOPMENT MODEL PRESIDENTIAL IMBIZO

- President Cyril Ramaphosa will tomorrow undertake a District Development Model Presidential Imbizo to Ngaka Modiri Molema District Municipality in Mahikeng, North West.
- The Presidential Imbizo is a public-participation platform aimed at, among other things, providing government an opportunity to assess the level of service delivery in the province.
- President Ramaphosa and leaders from all three spheres of government will interact with communities on their experiences of daily life and service delivery by government.
- The Imbizo also gives the President an opportunity to listen to the people and respond to their concerns and recommendations.
- We urge communities in the North West to use this opportunity to engage directly with the President and to make their concerns heard.
- Let us continue to move South Africa forward without leaving anyone behind!
