Let's grow South Africa together

LOCAL GOVERNMENT ELECTIONS

- The government thanks all South Africans that turned up at voting stations across the country to make their mark at the polls.
- This year's local government elections mark the 21st anniversary since the establishment of a democratic local government system.
- The government encourages South Africans to work well with their elected community leaders, regardless of party affiliation.
- Let us all unite towards a common goal of improving local government and service delivery in our respective communities.
- Working together, we will move South Africa forward!
