## ONWETTIGE ELEKTRISITEITSKOPPELING

- Onwettige elektrisiteitskoppeling kan die stelsel oorlaai en daartoe lei dat niemand in die gebied elektrisiteit het nie.
- Lig jou gesin in oor die gevare van onwettige elektrisiteitskoppeling.
- Onwettige verbindings stel gemeenskappe in gevaar omdat dit oor voetpaaie en wandelpaaie lê waar almal loop en maklik doodgeskok kan word.
- Het jy geweet — kabels wat onwettig gekoppel is kan ook kontak maak met ander items soos dakke, geute en wasgoedlyne wat hierdie items gelaai maak en in staat om elektrisiteit te geleï.
- Moenie elektrisiteit onwettig koppel nie. Slegs gemagtigde Eskompersoneel of gekwalifiseerde elektrisiëns met Eskom se toestemming, mag elektrisiteit koppel.
- Rapporteer enige onwettige koppelings aan Eskom by 08600 37566 (ESKOM) of SMS Crime Line by 32211.

## ILLEGAL ELECTRICITY CONNECTION

- Illegal electricity connections can overload the system and result in no one in the area having electricity
- Educate your family about the dangers of illegal electricity connections
- Illegal connections puts communities at risk as it lies across pathways and walkways where anyone passing by can easily be electrocuted
- Did you know - illegally connected wires can also make contact with other items such as roofs, gutters, and washing lines, making these items live and able to conduct electricity.
- Avoid connecting electricity illegally. Only authorised Eskom personnel or qualified electricians may connect electricity and with permission from Eskom.
- If you come across any illegal connections, report them to Eskom on 08600 37566 (ESKOM) or SMS Crime Line on 32211.
