

Northern Cape Mandela Day Pictorial: 18 July 2017

Various Mandela day events were held throughout the Northern Cape Province as part of commemorating Mandela Month in honour the struggle icon. Participating in the Mandela Day events were MECs, Mayors, Councillors, government departments, NGOs, CBOs, FBOs and members of the community. Some of the interventions done were erection of temporary shelter, contract work, donations of food parcels, completion of forms for application for RDP house, donation of bicycles to learners and many more. Information stalls were erected to assist members of the community with information. Attendants were addressed by the principals to further emphasise the significance of Mandela day.
