Vooma Weekend Campaign Awareness Activation

01 October 2021: Wonderboom Junction Mall, Tshwane, Gauteng

On 01 October 2021, GCIS in partnership with the City of Tshwane Health, Community Development Workers (CDW) and other stakeholders held an awareness activation about the Vooma Weekend Campaign, to mobilise the public to vaccinate for COVID-19. The team also communicated the messages on the COVID-19 Alert Level 1, COVID-19 vaccination, and distributed leaflets and publications to the public. The City of Tshwane Health Department tested the community members for COVID-19 and vaccinate them at the mall. **Below:** Some of the pictures of GCIS officials and stakeholders sharing information with some of the community members who accessed the services.
