REGISTER TO VOTE!

- This year's local government elections will mark the 21st anniversary since the establishment of a democratic local government system in our country.
- More than 23 000 voting stations will be open for registration on 18 and 19 September 2021 from 08h00 to 17h00.
- Your vote gives you the power to change or improve things and it allows you to choose who will represent the interests of your community.
- All South Africans 18 years and older are encouraged to register to vote, all votes count in strengthening our democracy.
- Let's continue to adhere to non-pharmaceutical measures during the voter registration weekend.
- To check if you are registered to vote and at which voting station, SMS your ID number to 32810 or click on this link to register:
