COVID19 Vaccination and Human Rights Month activation

04 March 2022: Wonderboom Junction, Tshwane

On 04 March 2022, GCIS Information Resource Centre team in partnership with Marketing and distribution team, MSAMU, Doctors without borders, Tshwane health, Tshwane Metro police, held a COVID19 awareness and Human Rights Month activation in Wonderboom Tshwane, Gauteng. The team communicated the Human Rights messaging, Human Rights Messages and encouraged the community members to get vaccinated, participate in Census 2022 and know their basic Human Rights enshrined in the constitution. The team distributed leaflets and publications on census 2002, COVID19 vaccination, and Human Rights leaflets. **Below:** GCIS officials distributing information material and some of the community members who accessed the services.
