On 17 May 2022, the GCIS Communications Teams in partnership with ICASA and Brand South Africa held a Budget Vote activation awareness campaign in Jubilee, in Tshwane, Gauteng. The teams communicated with the public to market the GCIS and its products such as GCIS branded bags, Gender-Based Violence and Femicide and *Vuk'uzenzele* leaflets. The teams also encouraged communities to tune into social media and other channels to view the GCIS Budget Vote Speech. Below are the pictorial highlights of the event.
