Mandela Month Activation: 29 July 2022

Mamelodi Old Age Home in Tshwane, Gauteng

This year's Nelson Mandela International Day on 18 July (and Mandela Month) is being celebrated under the global theme: "Do what you can, with what you have, wherever you are." It is a clarion call for people to support and participate in the campaign by bringing about sustainable interventions with lasting impact.

This was a clarion call to each sector of the community to be of service to those around them, particularly the vulnerable and the environment. In response to this call, the Mamelodi Local Communicators Forum (LCF) and GCIS visited Mamelodi Old Age Home to conduct a cleaning campaign, food preparation and caring for old people residing at the home on 29 July 2022.

Below are the highlights of the visit:
