

**COVID19 VACCINATION REGISTRATION AWARENESS CAMPAIGN AT NKOMO VILLAGE MALL
28 MAY 2021: ATTERIDGEVILLE – CITY OF TSHWANE, GAUTENG**

SYNOPSIS:

On 28 May 2021, Government Communication and Information System (GCIS) held an activation on COVID-19 vaccination registration campaign at Nkomo Village Mall, in Atteridgeville, Gauteng. The event offered the online vaccine registration service on the spot to the elderly who are 60 years and above, as well as distribution of information material on COVID-19 vaccination registration platforms and processes. Community members were encouraged to change their behaviour, and adhere to COVID-19 health protocols. Additionally, the event encouraged social cohesion as part of the Africa Month programme.

GCIS officials distributing information material at Nkomo Village Mall, and engaging with the community members about COVID19 vaccination registration.
