### Women's Month Activation

#### 31 August 2022: Renbro Shopping Centre, Tshwane, Gauteng

On 31 August 2022, the GCIS Information Resource Centre (IRC) and Gauteng team held a Women's Month activation awareness campaign at Renbro Shopping Centre, Hammanskraal city of Tshwane, Gauteng. Women's month was celebrated under the theme: "Women's Socio-Economic Rights and Empowerment: Building Back Better for Women's Improved Resilience." The GCIS team managed to share with the public, the GCIS and other government departments' products and information material such as GCIS branded bags, rulers and pens, leaflets and *Vuk'uzenzele* newspapers. The teams also encouraged communities to follow GCIS on social media to acquire important information about government programmes and messages.

Below are the pictorial highlights of the event.
