GOOD GREEN DEEDS CAMPAIGN, PRETORIA, GAUTENG

08 March 2019

The Good Green Deeds (GGD) campaign is aimed at behavioural change and seeks to incite people, the private sector, labour, NGOs, interfaith formations and society at large to clean South Africa. Government has called on the public to become GGD ambassadors by participating in clean-up campaigns in various communities. On 08 March 2019, GCIS officials participated in the campaign by cleaning the Pretoria Art Museum based in Arcadia, and Zodwa Special School in Atteridgeville, Pretoria. This was in support of the Presidential launch of the GGD campaign on that day.
