**Launch of the National Imbizo focus Week**

*By Thulaganyo Gaserotse: GCIS, Head Office*

Minister of Communications Faith Muthambi opened the National Imbizo Focus Week on Monday 30th November 2015 in Ga-Seleka in Lephalale, Limpopo. The primary aim of the National Imbizo Focus Week is to create an engaging and interactive information sharing platform between government and communities. Imbizo Focus Week will also concentrate on fleshing out the details of the Nine-Point Plan. Imbizo provides government the opportunity to share important information with South Africans from all walks of life, especially on service-delivery challenges and the progress of projects that are underway in their communities. Imbizo also allow leaders from national, provincial and local government the opportunity to intervene immediately and solve the challenges.
