## ADJUSTED ALERT LEVEL 2

- Government calls on the youth to become ambassadors of change by adhering to adjusted alert level 2 regulations.
- Please stay home instead of hanging out with friends- its temporary and might just save your life and those around you.
- Did you know science tells us that the spread of the disease happens mainly via respiratory droplets produced when an infected person coughs or sneezes? – Trust us - wear a mask
- Tech savvy youth - help your parents, grandparents or an older person in your community to register on EVDS.
- Simply send the word 'REGISTER' to the WhatsApp number 0600 123 456 or do it online @ [vaccine.enroll.health.gov.za](http://vaccine.enroll.health.gov.za)
- You have a chance to do things differently; use knowledge to steer the future of SA youth and minimize the spread of COVID-19.

## AANGEPASTE WAARSKUWINGSVLAK TWEE

- Die regering doen 'n beroep op die jeug om ambassadeurs vir verandering te word deur die regulasies van aangepaste waarskuwingsvlak twee na te kom.
- Bly asseblief by die huis, in stede daarvan om saam met jou vriende uit te hang — dit is tydelik en kan dalk jou lewe en diegene rondom jou selewens red.
- Het jy geweet dat die wetenskap vir ons vertel dat die verspreiding van die siekte hoofsaaklik gebeur deur asemhalingsdruppels wat gevorm word wanneer 'n persoon met die virus hoes of nies? — Vertrou ons — dra 'n masker.
- Tegnologiekundige jeug — help julle ouers, grootouers of 'n ouer persoon in jou gemeenskap om op die EIDS te registreer.
- Stuur die woord '**REGISTER**' na die WhatsApp-nommer 0600 123 456 of doen dit aanlyn @ **vaccine.enroll.health.gov.za**
- Jy het 'n kans om dinge anders te doen; gebruik kennis om die toekoms van SA-jeug op koers te vat en die verspreiding van KOVID-19 te minimaliseer.
