TOGETHER WE CAN BEAT CORONAVIRUS

# REGISTER FOR THE VACCINE, TODAY.

Our government has begun its rollout plan for the COVID-19 vaccinations. An electronic system will assist with the rollout across the country. If you are a South African over the age of 60, you can now register via a digital device. Go to <http://vaccine.enroll.health.gov.za>. All you need is an ID number or Passport number (non-RSA) and your contact information. Once the online form has been completed, a notification will be sent through SMS confirming a successful registration.
