

BENEFITS OF BEING 50+

- From **18 Nov 2021** everyone who is 50+ will get a **R100 grocery voucher** after their first vaccination.

The “**Vooma Voucher**” will be sent via SMS to the cell number used to register for vaccination and is redeemable at Shoprite, Checkers or Usave stores across the country.

- Vaccines are not 100% effective in preventing anyone from getting infection, but if you get Covid-19, chances of getting very sick or dying are much smaller.
- No bookings needed. Just walk-in with ID, Passport, Asylum or Refugee number, and if you are between 12-17 you can bring your birth certificate.
